Jake and I just bet \$100 on Place 2. He thinks Tammy has it.

We can buy two very expensive shots with it!

If I were the Whistleblower, I would:

1. Post each of Tammy's comments individually (just the worst of the worst). Let's say there are 21. I would post 7 each day (Wednesday, Thursday & Friday).

2. With subtitles.

3. No music.

4. Have each post with a link to the original recordings (no music) for full context.

5. Then 8am on Saturday morning, I post all of the clips combined (w/ subtitle & no music) and a link to the originals with no music.

From the Colberg's

They sent it to me as well
