CASE TO RUN : CONCURRENT WITH ALL OTHER CASES

On this day, set forth above, the above styled and numbered cause was called for trial. The State of Texas and Defendant appeared by and through the above named attorneys and announced ready for trial. Defendant appeared in person in open court. Where Defendant was not represented by counsel, Defendant knowingly, intelligently, and voluntarily waived the right to representation by counsel.

Having been admonished of the right to a jury trial, the Defendant and Defendant's attorney, if any, waived the right to a jury trial in writing and in open court with the consent and approval of the Judge or Magistrate, the Defendant's attorney, if any, and the prosecuting attorney named above. The consent and approval of the waiver of jury trial was entered of record in the minutes of the court before the Defendant entered this plea.

The Defendant entered the above plea to the charge contained in the information/indictment. It plainly appears to the Judge / Magistrate that the Defendant is mentally competent and said plea is free and voluntary, the said plea is accepted by the Judge / Magistrate and is now entered of record as the plea of the Defendant.

If it is shown above that there was a plea bargain agreement, the Defendant was informed as to whether or not the Judge would follow or reject such agreement. After receiving a plea of guilty or nolo contendere, and hearing the evidence offered, it is the opinion of the Judge that the best interest of society and the Defendant will be served by finding the evidence substantiates the Defendant's guilt and deferring further proceedings without entering and adjudication of guilt and hereby placed the Defendant on community supervision.

In the event a pre-sentence investigation was required by statute, said pre-sentence investigation was done according to the applicable statute. If a pre-sentence report was made, the Defendant authorized, in writing, the Judge to inspect the report. Where the Defendant requested that a pre-sentence investigation not be made, the Judge agreed to that request.

It is, therefore, ordered and decreed by the Judge or considered and recommended by the Magistrate that the imposition of sentence is hereby suspended for a period of time as shown above. The Defendant is hereby placed on community supervision for a period of time as shown above and subject to the terms and conditions of community supervision imposed this day by law and by the Judge and served upon the Defendant.

If the Magistrate has heard this plea, it is therefore, ordered, adjudged and decreed by the Court that the Defendant is placed on community supervision in accordance with the recommendations of the Magistrate. The judgment as shown above is hereby in all things approved and confirmed, and hereby ordered into effect. The Court approved the finding of the Magistrate that the Defendant has the financial resources to enable the Defendant to offset any fine, court costs, expenses of legal services and restitution or reparation in the amount ordered.

Conditions of community supervision attached hereto are incorporated for all purposes as part of the judgment. Said condition of community supervision include the terms of any fee payment pursuant to the Code of Criminal Procedure, if applicable. The Defendant was warned, in writing, as to the consequences of violation of the community supervision.

Following the disposition of this cause, the Defendant's fingerprint was placed upon a Certificate of Fingerprint. Said certificate is attached hereto and is incorporated by reference as a part of this judgment.

The consent and approval of the waiver of jury trial was entered of record in the minutes of the court before the Defendant entered this plea.

The Defendant entered the above plea to the charge contained in the information/indictment. It plainly appears to the Judge / Magistrate that the Defendant is mentally competent and said plea is free and voluntary, the said plea is accepted by the Judge / Magistrate and is now entered of record as the plea of the Defendant.

If it is shown above that there was a plea bargain agreement, the Defendant was informed as to whether or not the Judge would follow or reject such agreement. After receiving a plea of guilty or nolo contendere, and hearing the evidence offered, it is the opinion of the Judge that the best interest of society and the Defendant will be served by finding the evidence substantiates the Defendant's guilt and deferring further proceedings without entering and adjudication of guilt and hereby placed the Defendant on community supervision.

In the event a pre-sentence investigation was required by statute, said pre-sentence investigation was done according to the applicable statute. If a pre-sentence report was made, the Defendant authorized, in writing, the Judge to inspect the report. Where the Defendant requested that a pre-sentence investigation not be made, the Judge agreed to that request.

It is, therefore, ordered and decreed by the Judge or considered and recommended by the Magistrate that the imposition of sentence is hereby suspended for a period of time as shown above. The Defendant is hereby placed on community supervision for a period of time as shown above and subject to the terms and conditions of community supervision imposed this day by law and by the Judge and served upon the Defendant.

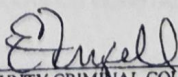

If the Magistrate has heard this plea, it is therefore, ordered, adjudged and decreed by the Court that the Defendant is placed on community supervision in accordance with the recommendations of the Magistrate. The judgment as shown above is hereby in all things approved and confirmed, and hereby ordered into affect. The Court approved the finding of the Magistrate that the Defendant has the financial resources to enable the Defendant to offset any fine, court costs, expenses of legal services and restitution or reparation in the amount ordered.

Conditions of community supervision attached hereto are incorporated for all purposes as part of the Judgment. Said condition of community supervision include the terms of any fee payment pursuant to the Code of Criminal Procedure, if applicable. The Defendant was warned, in writing, as to the consequences of violation of the community supervision.

Following the disposition of this cause, the Defendant's fingerprint was placed upon a Certificate of Fingerprint. Said certificate is attached hereto and is incorporated by reference as a part of this judgment.
